

FOCUS ON MATHEMATICS MATH EXPO!

WWW.FOCUSONMATH.ORG

at the **Boston Museum of Science**

The **Focus on Mathematics** Partnership is sponsoring expositions of student projects on topics in mathematics. This is a yearly event in which students develop research projects mentored by teachers and mathematicians. Families and friends are invited to visit over 100 student research projects on display from high school and middle school students in Arlington, Chelsea, Lawrence, Waltham and Watertown.

FOCUS ON MATHEMATICS EXHIBIT

The Museum of Science will have a special **Focus on Mathematics** exhibit open to the public from June 11-18. This exhibit will include a selection of posters illustrating the depth of mathematical content and diversity of topics displayed during the Math Expo.
